## Snorkel Group Assessment Tool

This form is to be completed by snorkel supervisors or delegates with assistance by snorkel rescuers and guides. The form provides a record of verification of competency tool and should be held by the supervisor or according to the organisational unit's processes for maintaining competency records and attached to the incident report in the event of an incident. The form should be used in conjunction with the Snorkel Group Record Form.

The University of Queensland is collecting your personal information in order to fulfil UQ's safety obligations in accordance with the Work Health and Safety Act (Qld) 2011. It is the University's usual practice to disclose this information only in accordance with the UQ Policy for Privacy Management.
