Awards—Table 1: Awards conferred by Senate

1.   PhD and MPhil

The University may confer the Doctor of Philosophy (abbreviated as PhD) and the Master of Philosophy (abbreviated as MPhil).

2.   All other awards

Section 4 lists all other awards that the University currently confers or has conferred in the past. Awards are listed under the faculty administering the relevant program requirements. The name of each award has two components —

(a)   the level of the award ('the level component'); and

(b)   the discipline in which the above award is granted ('the discipline component').

3.   Official abbreviation of awards

The level component and their abbreviations are —

Associate Degree in	—	AssocD
Associate Diploma in	—	AssocDip
Degree of bachelor of	—	B
Degree of bachelor (honours)	—	B (Hons)
Degree of doctor of	—	D
Diploma in	—	Dip
Graduate certificate in	—	GC
Graduate diploma in	—	GDip
Degree of master of	—	M
Undergraduate certificate in	—	QC

4.   Official list of awards

In the list, the discipline component is set out once in words without the level component and each award is identified by its abbreviation which includes both components.
