Section 2 - Process and Key Controls

(2) All processes related to the conferral, surrender and revocation of an award will be managed in accordance with the principles of procedural fairness and transparency.

(3) All decision-makers will act impartially and without bias.

Section 3 - Key Requirements

Part A - Conferral

Conferral of an award

(4) The Academic Registrar will submit a list of eligible graduands to the Senate or the appropriate delegate for approval and conferral of their awards:

- a. over four conferral rounds per year for coursework students; and
- b. monthly for HDR candidates.

Out-of-session conferrals: exceptional circumstances

(5) Faculties or the Graduate School may submit a written request to the Academic Registrar for an out-of-session conferral in exceptional circumstances.

(6) The Academic Registrar will consider there to be exceptional circumstances warranting an out-of-session conferral of award where:

- a. an award is specifically required for employment or university admission purposes; or
- b. there has been an administrative error; and
- c. the student has demonstrated they will be disadvantaged should the conferral of award be delayed to the next conferral period.

(7) Where the requirements in clause 6 are met, the Academic Registrar will seek approval for the out-of-session conferral from the appropriate delegate.

Part B - Posthumous awards

(8) Where a deceased student, or student at the end of life, has not completed all requirements for their program of study, a member of staff or the student's immediate family may request that the student be considered for a posthumous award.

(9) A [Posthumous Award Recommendation Form](#) must be completed, be endorsed by an Executive Dean or Dean, Graduate School and be submitted as specified by the Academic Registrar.

(10) A student who has completed 75% or more of the requirements for their program of study will satisfy the 'substantially completed' requirement for a posthumous award in clause 17 of the [Awards Policy](#).

(11) Where a student has completed less than 75% of their program, the applicant must specify whether:

- a. there are compelling and/or compassionate circumstances that would warrant a waiver of the 'substantially completed' requirement for a posthumous award in clause 18 of the [Awards Policy](#); or
- b. the student is eligible for an early exit award under Program Requirements; or
- c. the student has completed 75% or more of the requirements of a related program and they are seeking endorsement from the Academic Registrar for conferral in a program with no enrolment.

(12) Where the requirements in clause 10 or 11 of this Procedure are met, the Academic Registrar will seek approval for the posthumous conferral from Senate or the appropriate delegate.

(13) The student's family may:

- a. not wish to accept the award on behalf of the student, in which case the award will be conferred but the academic records will not be issued to the family; or
- b. elect to have the posthumous award sent to them by mail, presented at a graduation ceremony, or, in the end-of-life cases, presented at a private occasion.

Part C - Surrendering an award

Notice of intention to surrender an award

(14) A graduate may surrender a conferred exit award by giving the Academic Registrar:

- a. written notice signed by the graduate that states that they have decided to surrender the award (a surrender notice);
- b. the testamur in the possession of the graduate surrendering the award; and
- c. in cases where a testamur is not in the possession of the graduate surrendering the award, evidence that satisfies the Academic Registrar that the document has been lost, defaced or destroyed.

When surrender takes effect

(15) Where a graduate surrenders an exit award, the rights of the graduate in relation to the award cease on the day the Academic Registrar records receipt of the graduate's surrender notice.

Outcomes of surrender

(16) The Academic Registrar must take the appropriate action to amend all official records to reflect the surrender of the award.

Part D - Revoking an award

- e. that the graduate may make the oral submissions at a mutually agreed date and time or, failing agreement, at a date and time appointed by the appropriate delegate; and
- f. that the graduate may be accompanied by a support person who is not a lawyer.

(24) The 14-day period specified in clause 23(c) above may be extended by the appropriate delegate for a further reasonable period, where the graduate reasonably requires additional time to prepare their response or to obtain supporting documentation.

Revocation consented to by the graduate

(25) A graduate who is not entitled to an award may consent to the revocation of the award.

(26) The Executive Dean or Dean, Graduate School should obtain a written statement from the graduate confirming they have cause to believe that, when the award was conferred, they were not entitled to the award.

- a. where revocation is consented to by the graduate, when the appropriate delegate decides to revoke the award;
or
- b. where the graduate is given notice of the decision to revoke the award, 28 calendar days after the notice if no application for review of the appropriate delegate's decision has been lodged; or
