(2) This Procedure applies to all Professional employees (fixed term and continuing) covered by the [Enterprise Agreement](#), excluding casual staff and shift workers.

## Section 2 - Process and Key Controls

(3) UQ is committed to ensuring operational requirements are met through the effective management of employee workloads however, there may be a requirement for employees to work reasonable overtime.

(4) The key controls to effectively manage the attendance, hours of work (including flexible hours), and overtime processes at UQ includes:

- a. Employees (HEW Level 1-7) must regularly record and submit an accurate record of attendance including the hours worked and any leave taken.
- b. Flexible working hours arrangements should be reviewed every 12 months at a minimum, or more often as agreed.
- c. Overtime (including time off in-lieu of overtime) must be pre-approved and where worked, will be paid consistent with the occupational category and HEW classification level at which they performed the work as specified in the [Enterprise Agreement](#).
- d. All timesheets require the approval of an authorised officer in accordance with the UQ Delegations of Authority.

## Section 3 - Key Requirements

### Part A - Attendance

(5) A full-time employee (HEW Level 1-7) is required to work a standard work day (e.g. 7 hours and 15 minutes) consistent with the occupational category to which they are employed, as outlined in the [Enterprise Agreement](#). Part time employees or employees with an approved Flexible Work Agreement are required to work the hours stated in the Offer of Appointment or variation. Employee work patterns will be within 15-minute intervals, except for professional employees employed under Schedule 8 of the [Enterprise Agreement](#) – Heron Island Research Station, and Schedule 11 – Customs House Schedule.

(6) Casual employees are paid for hours worked, subject to applicable minimum engagement periods.

## Professional Employees HEW Level 1-7

(7) Professional employees (HEW Level 1-7) are required to record their attendance at work unless they are travelling or performing work away from UQ.

(8) Employees must regularly record and submit an accurate record of the hours worked and any leave taken to the Authorised Officer (specified in the [Human Resources Sub-delegations Schedules](#)) on a fortnightly basis in accordance with the requirements of the Organisational Unit.

(9) An employee (HEW Level 1-7) is required to work within the span of hours consistent with the occupational category to which they are employed. The standard spread of hours, maximum work hours per week, and notice requirements to vary commencing and ceasing times per occupational category, are outlined in the [Enterprise Agreement](#).

## Professional Employees HEW Level 8 and above

(10) There is no fixed span of hours for employees HEW Level 8 and above, unless specified within the [Enterprise Agreement](#) and there is no requirement to record hours of work.

## Part B - Flexible Working Hours

(11) In accordance with the [Enterprise Agreement](#), an employee (HEW Level 1-7) may work flexible working hours (work patterns) in lieu of the standard hours of work where mutually agreed between the Authorised Officer (specified in the [Human Resources Sub-delegations Schedules](#)) and the employee.

(12) The available options are outlined in clause 36.6 of the [Enterprise Agreement](#) and in the [Flexible Work Policy](#). Certain employees have the 'right to request' a flexible work arrangement in accordance with the [Fair Work Act 2009](#) (Cth).

(13) Flexi-time or Voluntary Banked Time (VBT) arrangements should only be used where there is a genuine requirement for the employee to work additional hours in order to meet a peak in workload, or to assist an employee to balance their work commitments and personal circumstances where it is of mutual benefit to the Organisational Unit and the employee.

## Cessation of Employment

(14) An employee (HEW Level 1-7) who is being appointed to a position in another Organisational Unit or ceasing their employment at UQ should arrange with the Authorised Officer to take any Flexi-time or VBT hours before the last day of employment in that position.

(15) Where it is impractical for the employee (HEW Level 1-7) to take accrued Flexi-time or VBT hours, the Head of the Organisational Unit may give consideration to paying out an employee's accrued Flexi-time or VBT balances upon cessation of employment with UQ, in consultation with Human Resources Division.
